# AUCTION SALE

## Of Best Improved Farm In Wilson County.

THURSDAY, July 29, 1920

At Ten O'clock A. M.

On the above date, in the First District of Wilson County, 15 miles from Lebanon, we will sell to the highest and best bidder at public outcry, the

## E. L. DOAK HOME

on the Lebanon and Nashville turn-pike, being more familiarly known as the Judge J. N. Adams home. This splendid farm is mid-way between Lebanon and Nashville and contains 176 acres of as good land as there is in the county, being in a high state of cultivation and cut up into numerous fields and lots and better fenced than anybody's place.

The improvements are all new, modern and up-to-date and consists of a splendid 8-room bungalow with large front-side and back porches, bath complete, hot and cold water, dairy barn, mule barn, feed barn, chicken houses, hog houses, tenant houses, and in fact every kind of an improvement that your heart could desire. Practically every foot of this land can be cultivated and has always had the very best of attention and there is no farm in a higher state of cultivation and none that will produce more per acre than this one. This farm in addition to numerous wells is watered by everlasting springs. You seldom ever have an opportunity to buy one like it, either publicly or privately, for the owner of this class of farms seldom ever wants to dispose of them. The original owner, Judge Adams occupied and held until after death, his wife retained it until her death, and then it was sold for division among the heirs. Mr. Doak became the owner and he has increased its value two fold, his only reason for selling is the fact, as most of you know, he is the Clerk of the Federal Court with headquarters at Nashville, Tennessee, and the duties of his office now require his full time and attention and hence he is forced to dispose of this splendid farm.

The farm being on the Nashville Turnpike about 14 miles of Nashville, makes it most desirable and will suit any one wanting one of the best farms in the State, close to schools, churches, on a splendid pike and within twenty minutes drive of the City. You can make no mistake by buying this one. We can positively assure you that this will be one farm sold at Auction without any minimum, going for the high dollar, and we will give any person finding a by-bidder at this sale fifty dollars in gold.

We will also sell at the same time and place all of the live stock and farming implements, belonging to Mr. Doak, consisting in part as follows:

Registered Duroc Hogs; 1 Percheron Mare with horse mule colt by side; 1 Percheron mare with mare mule colt by side. Also 4 other Percheron mares, ages from 6 to 9 years old; 1 pair mules 15 hands high and five years old. All kinds of farming implements such as lime pulver, 8-horse gasoline engine, feed grinder, manure spreader, McCormick Corn Harvester, Drills, Harrows, Cultipackers, Rakes, Mowers, Corn Planter, Plows and in fact anything you would want in the implement line.

The terms will be made known on day of sale, but will be very inviting and possession might be arranged for at once.

### FREE DINNER FOR ALL WHO ATTEND THIS SALE

We will give away in money and other presents \$100, and we will have a good band of music and we will give you a pleasant outing with an opportunity to make money at the same time. So be sure and come and bring your wives, children and your sweethearts with you.
